Date Issued: June 3, 2025
For Delivery to: University of Mary Washington, Commonwealth of Virginia
Proposal Due Date: July 3, 2025

This addendum consists of one (1) pages.

Questions from Offerors:

1. **Question:** The stage under the 40X tent is tiered...do you know the length of the stage?
UMW Response: The length is 76 feet wide.
2. **Question:** The height of the stage in the back and each tiered by how many inches resulting in being what height in the front?
UMW Response: Tiers are 6" and the front level is 6" off the ground. Due to the bowl shape of the ground, the height varies across each level, but everything is taken off the front portion of the stage.
3. **Question:** The VIP tent...does that have any type of ground covering or no flooring of any type?

In any given weekend we perform 40 – 70 “small” deliveries, or 15-20 “large” deliveries. We consider a “small” delivery to be drop-offs of tables and chairs, tenting installations under 20x20, or party orders for guest counts under 150. We consider “large” deliveries to be full-service graduations with tenting, staging, tables, chairs, etc., or large weddings with tenting, tables, chairs, linens, glassware, etc. We typically deliver and install the business day before the event at the very latest, but we prefer to provide more time with the equipment on site if that is workable with our clients. We do not charge an additional fee for having the equipment on-site for extra days. We typically remove equipment the business day following our clients’ event. We do have additional fees if our client requires specific time-frames for delivery or pick up or if a delivery or pick up needs to take place outside of normal business hours. Our normal business hours are Monday – Friday 8am – 5pm.
- f. We guarantee that our equipment will be rental quality – good condition, some items may have minor wear and tear. If anything does not meet our clients’ standards we request a photo of the equipment be sent via email or text message to Ayla Airhart or Angela Bowles, and they will either 1) offer a speedy and suitable replacement or 2) refund equipment – it is up to the client which they would prefer.
- g. Party Perfect is 5WAM Certified, V3-Certified and has a Class A contractor’s license. At least one of our owners is CERP (Certified Event Rental Professional) certified.
- h. The crews that perform all UMW contracts will be supervised by one of our Lead Techs with the most UMW experience – currently Chris Nedervelt and Ned Parker. All of our crews will have proper instruction on the full scope of all events before leaving our warehouse, and will be trained thoroughly on installation and safety procedures. The Lead Tech will be responsible for overseeing crews on site at UMW, but will be periodically checked-in on by one of our Management team (**See Attachment 1 and Party Perfect Attachment 5**) when necessary. Ayla Airhart will be available for a final walkthrough with UMW at any time, but requests a two-week notice on that appointment.
- i. Party Perfect maintains manufacturer certifications for all applicable rental items, including flame resistance certificates and structural engineering documents for tenting

and staging. All certifications are kept on file and can be provided upon request or submitted prior to the event as required by campus safety officials or fire marshals.

- i. Flame retardant certifications for all tent fabrics, sidewalls, draping, and linens
 - ii. Structural engineering documents for tents, including wind load and snow load ratings
 - iii. Load-bearing specifications for stages and flooring systems
- j. See Attachment 1 and Party Perfect Attachment 5

6. Offeror's Ability to Provide Types of Products/Services identified and the Quality of the Products/Services Offered (based on product list, descriptive literature, online capability, etc.):

- a. Our main website is www.PartyPerfect.com. From the main page you can click on "RENTAL CATALOG" at the top of the page to get to the rental catalog or go directly to <https://www.partyperfect.com/party-rentals.asp>. We also have a photo gallery at <https://www.partyperfect.com/event-galleries.asp>.
- b. Chair Options and pricing can be seen at: <https://www.partyperfect.com/equipment.asp?action=category&category=16>. (See Attachment 3 and Party Perfect Attachment 7 for all shapes and sizes available with pricing).
- c. We offer Biljax Staging. Our staging comes in 4'x4' sections and ranges from 6" to 84" tall. We offer ramps, skirting, turf covering, rails, and steps with kick plates. You can see photos of this equipment at <https://www.partyperfect.com/equipment.asp?https://www.partyperfect.com/equipment.asp?action=category&category=30>. We have 374 staging pieces in our inventory, which translates to a stage as large as 5,984sq ft. Staging can be set at many different heights, to create choral-riser style stages, or it can be perfectly level. We like to cover our stage with black astroturf as the top is unfinished wood. We also offer skirting to cover the feet on the front and side panels of the stage. The turf and skirting create a clean, even look. (See Attachment 3 and Party Perfect Attachment 7 for sizes and pricing)
- d. Table options and pricing can be seen at: <https://www.partyperfect.com/equipment.asp?action=category&category=31>. (See Attachment 3 and Party Perfect Attachment 7 for pricing, sizing, and quantities available).
- e. We offer tents ranging from 10x10 to 80x190 (113+ options). We have frame tents available in solid white tops, clear tops, gable-ended, hip-ended, high-peak frame, and sailcloths. We offer pole tents as well. Photos of some of these items can be seen on our website: <https://www.partyperfect.com/equipment.asp?action=category&category=2>. We offer sidewall in solid, French windows, or clear. We also offer lighting (bistro lights in white or black strands, cage lights, single light fixtures), fans, heaters, pole covers, leg drapes, and tent liners. (See Attachment 3 and Party Perfect Attachment 7 for pricing and available sizes/styles).
- f. Party Perfect does not provide restroom trailers directly; however, we can coordinate and subcontract them through a trusted partner if needed for your event. (See Attachment 4 and Party Perfect Attachment 8).
- g. Party Perfect provides a 6500 watt generator for \$160.00.

- h. Party Perfect also offers linens, glassware, flatware, china, crowd control such as stanchions, rope, and fencing. We also offer catering equipment and bars.. You can see all equipment and pricing at: <https://www.partyperfect.com/party-rentals.asp>.

7. Offeror's Specific Plans or Methodology to be used in performing services (including capability and plan of action to meet UMW demand signal for regularly scheduled key events, for short-fuse events, to address inclement weather alterations, etc..

- a. We typically deliver and install the business day before the event at the very latest, but we prefer to provide more time with the equipment on site if that is workable with our clients. We do not charge an additional fee for having the equipment on-site for extra days. We typically remove equipment the business day following our clients' event. Set up and knock down times will vary based on the scope of the event. For instance – we can remove a tented event at the Alumni Center in one afternoon, but it typically takes us two or more days to remove Graduation.
- b. We offer complimentary site inspections and event planning meetings whenever you would like them. If we are not familiar with an area on the campus that you are interested in installing a tent, we require a site inspection. We are more than happy to meet on-site with you and anyone involved in planning the event and try to bring a sales consultant as well as a member of our management team or a Team Lead for any large scale events. We are in office to answer any questions you have that do not require an on-site meeting Monday – Friday 8am-5pm.
- c. Cancellation Policy:
Orders may be canceled up to 48 hours prior to delivery, with the cancellation resulting in the forfeiture of only 30% of the contract. If cancellation occurs after the items have been loaded for delivery or delivered to the site, the customer is responsible for 100% of the order total.
We do allow for postponement of any events with a 48 hour notice at no fee, as long as all items are available for the new date.
- d. Upon an event's closure in our system—signifying item pickup and return to our warehouse, and successful accounting—an invoice will be dispatched via email to the ordering party and the designated payment responsible. Subsequently, UMW will have a 30-day period to settle the contract. A sample invoice is appended for reference. (See Attachment 10)
- e. We can absolutely accommodate unexpected events. Recently, we received a call on our after-hours emergency line from UMW stating that they needed tables delivered the next morning. When the office opened at 8am, we scheduled the delivery and had the items out to UMW by midday. Ayla and Angela also check their emails and all voicemails left overnight on the regular line as soon as business opens, and UMW calls receive first priority. If ever Ayla or Angela cannot be reached at the office, they may be reached on their cell phones provided on Attachment 2.
- f. Party Perfect maintains comprehensive Standard Operating Procedures (SOPs) designed to minimize risk to UMW's campus, students, staff, and visitors. These procedures include:
 - i. Pre-event site inspections to assess potential hazards and ensure proper tent anchoring in compliance with engineering specifications.
 - ii. Safety protocols for equipment installation, including staff training on safe handling of tents, staging, flooring, and heavy equipment.

- iii. Adherence to all fire safety requirements, with flame-retardant certifications provided for tents, sidewalls, and fabrics.
- iv. Weather monitoring and response procedures, including criteria for tent evacuation or removal in severe weather conditions.
- v. Post-event inspections to ensure the site is left in its original condition, free of damage or debris.
- vi. Maintenance of full insurance coverage, including general liability, workers' compensation, and vehicle coverage.

Our SOPs are available upon request and are reviewed regularly to ensure compliance with industry standards and the specific requirements of our college and university partners.

- g. Party Perfect has seven main types of employees associated with UMW events. See below:

Type	# of Employees	Responsibilities
Drivers/Crew Leads	14	Driving, loading, unloading, on-site point of contact for client
General Crew	10	Loading, unloading, assisting in installation and removal of equipment
Warehouse	4	Check-in and check-out of equipment, equipment maintenance, inventory
Dish	3	Dish and catering equipment cleaning, maintenance, inventory, and pulling
Linen	2	Linen cleaning, maintenance, inventory, and pulling
Sales	4	Contract creation, in-office point of contact for client, performs site inspections and on-site client meetings
On-Call	1 – Rotating	Answers the on-call emergency phone for any true emergencies outside of business hours

- h. We will only take on one event the scope of UMW's commencement at a time unless we are 100% positive that we can handle more than one seamlessly. We are committed to a full crew of experienced workers for this commencement.
- i. If required, we can subcontract necessary equipment. **(See Attachment 4 and Party Perfect Attachment 8).**
- j. For inclement weather after tent installation, we will ensure proper tent security. In cases of dangerous weather or heavy snowfall, we will determine if tent tops need to be removed to prevent property damage, a decision that will be discussed with the main point of contact for each affected order. We generally advise reserving "rain plan" items on contracts and removing them if unnecessary with a 30% cancellation fee.

8. Pricing (prices, rebates, discounts, internships, sponsorships, etc.):

- a. **See Attachment 3 and Party Perfect Attachment 7.**
- b. Party Perfect would like to offer the following rebate for future orders:
 - i. If UMW spends \$50,000 in one year with Party Perfect, we will offer 5% of the total amount spent on credit for the following year's rentals. The credit will apply

towards in-house rentals only and will expire at the end of the calendar year. For example, if UMW spends \$100,000.00 between 1/1/26 and 12/31/26, you will receive a credit of \$5,000.00 for 2026 events, to be used on in-house rentals only, and that money must be spent by 12/31/27.

- ii. We would be happy to investigate sponsoring events on a case-by-case basis. All sponsorships must be requested through Ayla or Angela, and we require written notice of the scope of events and items needed, details of events, and what we will get in exchange for sponsorship.
- c. Additional Charges are as follows:
 - i. After Hours Fees – A \$250+ fee typically applies for deliveries or pickups outside of regular business hours. This fee is subject to change based on the scope of the delivery or pickup.
 - ii. Time Specific Fees - These fees range between \$75-\$250 depending on the window of time we are provided and are incurred if a delivery or pick up needs to happen within business hours at a *specific* time. I.E. 2:00pm arrival, 3:30pm pick up, etc.
 - iii. Additional Delivery Fees – You may incur more than one delivery fee if 1) Items are added on to the order and need to be delivered after we have already left for the first delivery or 2) Items cannot fit on one truck due to space or weight restrictions.
 - iv. Equipment Protection Plan (EPP) aka Damage Waiver – 12% of the rental cost – covers any damage to the equipment while in your possession. Can be removed by sending a copy of the liability insurance. Does not cover missing items or negligent damage.
 - v. Negligent Damage or Missing Item Replacement Cost – If damage is not covered under EPP OR EPP is removed on an order and items are damaged or missing, we will charge the replacement fee on those items.

9. Party Perfect takes no exceptions to the terms and conditions as stated in the RFP.

10. At this time, Party Perfect does not have any additional information to submit beyond the materials already provided in this proposal. We believe the information included accurately reflects our capabilities, experience, and commitment to providing high-quality service to the University of Mary Washington.

2. Staging & Flooring

STAGING: We offer Biljax Staging. Our staging comes in 4'x4' sections and ranges from 6" to 84" tall. We offer ramps, skirting, turf covering, rails, and steps with kick plates. You can see photos of this equipment on our website under Rental Catalog – Staging and Flooring Rentals. We have 374 staging pieces in our inventory, which translates to a stage as large as 5,984sq ft. Staging can be set at many different heights, to create choral-riser style stages, or it can be perfectly level. We like to cover our stage with black astroturf as the top is unfinished wood. We also offer skirting to cover the feet on the front and side panels of the stage. The turf and skirting create a clean, even look.

6. Delivery, Labor & Service Fees

We typically deliver and install on the business day before the event at the very latest, but we prefer to provide more time with the equipment on site if that is workable with our clients. We do not charge an additional fee for having the equipment on-site for extra days. We typically remove equipment the business day following our clients' event. Set up and knock down times will vary based on the scope of the event. For instance – we can remove a tented event at the Alumni Center in one afternoon, but it typically takes us two or more days to remove Graduation.
