and contractor's form addendum signed 8/24/15

By signing this Amendment, you represent that you are the authorized Customer representative and the information above is true and correct. This Amendment amends the Commercial Services Agreement last executed by Cox and Customer (the "CSA") and binds Customer to the terms and conditions contained in this Amendment and in the CSA, including without limitation, the Cox tariffs, Service Guides, State and Federal regulations, the General Terms located at <http://www2.cox.com/aboutus/policies/business-general-terms.cox>, and the Cox Acceptable Use Policy (the "AUP"). Customer acknowledges receipt and acceptance of the Service Terms, the AUP and the General Terms by signing this Amendment. Customer acknowledges and accepts that Customer is solely responsible for protecting its network, equipment and the software through the use of firewalls, anti-virus and other security devices. Customer further acknowledges and accepts that Customer is solely responsible for fraudulent activity and related charges that result from Customer's failure to protect its network, equipment and the software. This Amendment is subject to credit approval and Customer authorizes Cox to check credit. The prices above do not include applicable taxes, fees, assessments or surcharges which are additional and may change. This proposal is valid provided Customer signs and delivers this Amendment to Cox unchanged within thirty (30) days from the date above. In addition to any other termination rights in the Agreement, Cox may terminate this Amendment without liability at any time prior to Cox's implementation of the changes to the Agreement that are set forth in this Amendment or if Cox determines that Customer's location is not reasonably serviceable according to Cox's standard practices. If Customer terminates or decreases any Service that is part of a bundle offering, the remaining Service(s) shall be subject to price increases for the remaining Term. Each party may use electronic signatures to sign this Amendment, provided the electronic signature method used by Customer is acceptable to Cox. "Acceptance" of this Amendment by Cox shall occur upon the earlier of (i) Cox's countersignature of this Amendment or (ii) Cox's implementation of the changes to the Agreement that are set forth in this Amendment. If Customer cancels this Amendment prior to installation of Service by Cox, Customer shall be liable for Cox's costs incurred. If Cox Equipment is not returned to Cox after disconnection of Services, Customer shall be liable for the Cox Equipment costs. I acknowledge that I have read and understand the 911 disclosures in Section 2 of the Service Terms.
