ABOUT THIS PARTNER:

Buckeye International, Inc. is a manufacturer of industrial cleaners, disinfectants, floor care products and hand soaps and sanitizers headquartered in St. Louis, MO. Buckeye International, Inc. sells its products through a system of independently owned distributors and company owned Cleaning Centers that sell not only the complete line of Buckeye products but other janitorial supplies.

Find an approved distributor at <http://choicepartners.buckeyeinternational.com/>

The Cleaning Centers operate as a separate division of one corporation under the name Buckeye International, Inc. For federal tax purposes, all Cleaning Centers and Buckeye International, Inc. report using the same Federal Identification number which is [43-1045524](https://www.irs.gov/efile/efile-identifications).

Founded in 1844, Buckeye has a long-standing tradition of providing quality products and services through innovative technology. Local manufacture owned distributor, Buckeye Cleaning Center-Houston, distributes a

full line of maintenance & cleaning supplies.

Buckeye International provides schools, offices and other government entities with janitorial equipment and industrial cleaning supplies. In 1844, the J.P. Davies Co. was founded in Dayton, Ohio as a producer of oils for oil-burning lamp and lubrication uses. Now called Buckeye after the nut of the buckeye tree, this Missouri-based company offers floor finishes, cleaners, carpet care, disinfectants, hygienic products and more. Buckeye is committed to supplying the most innovative, high performance and cost effective products, packaging and programs that promote the health of humans and the Earth.
