As a separate contractual relationship, the participating entity will place its own orders directly with the contractor(s) and shall fully and independently administer its use of the contract(s) to include contractual disputes, invoicing and payments without direct administration from the University. No modification of this contract or execution of a separate agreement is required to participate; however, the participating entity and the contractor may modify the terms and conditions of this contract to accommodate specific governing laws, regulations, policies, and business goals required by the participating entity. Any such modification will apply solely between the participating entity and the Contractor.

The Contractor will notify the University in writing of any such entities accessing this Contract. The Contractor will provide semi-annual usage reports for all entities accessing the Contract. The University shall not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Contractor to extend the Contract. It is understood and agreed that the University is not responsible for the acts or omissions of any entity, and will not be considered in default of the Contract no matter the circumstances.

9. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Commonwealth, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. 14. **INDEMNIFICATION:** Contractor agrees to indemnify, defend and hold harmless the University as an agency of the Commonwealth of Virginia, its officers, agents, and employees from any claims, damages and actions of any kind or nature, whether at law or in equity, arising from or caused by the use of any materials, goods, or equipment of any kind or nature furnished by the contractor/any services of any kind or nature furnished by the contractor, provided that such liability is not attributable to the sole negligence of the using agency or to failure of the using agency to use the materials, goods, or equipment in the manner already and permanently described by the contractor on the materials, goods or equipment delivered.
15. **INDEPENDENT CONTRACTOR RELATIONSHIP:** In performing any and all of the services to be provided under this contract, the Contractor shall at all times and for all purposes be and remain an independent contractor. No persons engaged by the Contractor in connection with the provision of Services shall be considered employees of the University. As between the parties, the Contractor shall be responsible for hiring, supervising, training and instructing those individuals performing the services and shall pay any required state and federal taxes on behalf of such persons and provide them with any legally required employee benefits.
16. **INSURANCE:** By signing and submitting a bid or proposal under this solicitation, the bidder or offeror certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. For construction contracts, if any subcontractors are involved, the subcontractor will have workers’ compensation insurance in accordance with §25 of the Rules Governing Procurement – Chapter 2, Exhibit J, Attachment 1, and 65.2-800 et seq. of the Code of Virginia. The bidder or offeror further certifies that the contractor and any subcontractors will maintain these insurance coverages during the

entire term of the contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

MINIMUM INSURANCE COVERAGES AND LIMITS REQUIRED FOR MOST CONTRACTS:

- A. Workers' Compensation - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer. Contractors who fail to notify the Commonwealth of increases in the number of employees that change their workers' compensation requirements under the Code of Virginia during the course of the contract shall be in noncompliance with the contract.
- B. Employer's Liability - \$100,000.
- C. Commercial General Liability - \$1,000,000 per occurrence and \$2,000,000 in the aggregate. Commercial General Liability is to include bodily injury and property damage, personal injury and advertising injury, products and completed operations coverage. 19. **PAYMENT:**

- A. To Prime Contractor:
 - i. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
 - ii. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
 - iii. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.

- iv. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
 - v. Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (Rules Governing Procurement, Chapter 2, Exhibit J, Attachment 1 §53).
- B. To Subcontractors:
- i. A contractor awarded a contract under this solicitation is hereby obligated:
 - a. To pay the subcontractor(s) within seven (7) days of the contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
 - b. To notify the agency and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason.
- C. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.
- i. Each prime contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWAM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
 - a. The Commonwealth of Virginia encourages contractors and subcontractors to accept electronic and credit card payments.
20. **PRICE ESCALATION/DE-ESCALATION:** Price adjustments may be permitted for changes in the contractor's cost not to exceed the Consumer Price Index for All Urban Consumers (CPI-U) expenditure category 'Services less energy services,' effective at the end of each contract period, for the preceding twelve (12) months. Price escalation may be permitted only at the beginning of each renewal term only when explicitly

requested in writing by the Contractor. However, “across the board” price decreases are subject to implementation at any time and shall be immediately conveyed to the University.

21. **PROCUREMENT MANUAL:** This solicitation and any resulting contract is subject to the provisions of the Commonwealth of Virginia Procurement Manual for Institutions of Higher Education and their Vendor’s and any revisions thereto, which are hereby incorporated into this contract in their entirety. The manual may be viewed at <http://vascupp.org>.
22. **RECYCLING POLICY:** It shall be the policy of the University of Mary Washington to support and encourage conservation and recycling efforts by vendors, students, faculty and staff, where possible.
23. **RENEWAL OF CONTRACT:** This contract may be renewed by the University upon written agreement of both parties for five (5) successive one-year periods, under the terms of the current contract, and at a reasonable time (approximately 90 days) prior to the expiration.
24. **SEVERABILITY:** If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, the same shall not affect the other terms or provisions hereof or the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary in the court's opinion to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.
25. **STANDARDS OF CONDUCT IN THE WORKPLACE:** As per [Virginia Code SS2.2-1201](#), which provides authority to Department of Human Resource Management (DHRM) to set policy, UMW holds contractors, subcontractors (“third parties” as per policy definition) accountable to the standards of conduct contained within [DHRM Policy 2.35, and the cited related policies](#), while such contractors, or contractors’ contractors, and/or their staff, are conducting business or performing work on current and future UMW campuses, grounds and properties, both state-owned and leased, as applicable.
26. **TITLE IX:** Educational institutions that receive federal financial assistance are covered by Title IX of the Education Amendments of 1972. In compliance with Title IX, the University of Mary Washington prohibits discrimination in employment as well as in all programs and activities on the basis of sex. METHOD OF PAYMENT: The contractor shall be paid using one of the following three (3) methods for all University initiated procurements:

1. **Small Purchase Charge Card (SPCC):** Small Purchase Charge Card (SPCC): At the time of verified receipt of goods or services, if the Contractor accepts credit cards in payment, the University will authorize payment by SPCC, currently the Bank of America Visa. Any “Check-out fees” imposed by the contractor must be disclosed prior to the purchase. No check-out fee or surcharge may be greater than 4% of the total sale. The University expects that these costs, as well as all contractor business expenses will be built into the contractor’s quoted price. If the contractor’s eVA profile indicates acceptance of a credit card in payment, the Commonwealth will pay via charge card for invoices \$50,000 or less. *The University reserves the right to request certification (with confirmation code) of the vendor’s registration with its merchant bank/VISA to invoke “check-out fees” or*

surcharges for use of the credit card. "Check-out fees" or surcharges for use of the credit card shall not exceed the vendor's cost of acceptance rate.

2. ePayables through Bank of America: All payments under ePayables will have a net 16 payment term. For more information about this payment option, contact UMW's Accounts Payables department at payables@umw.edu or view <http://www.bankofamerica.com/epayablesvendors>.
3. Check or ACH: Payment will be made 30 days after satisfactory performance of the contract in all provisions thereof and upon receipt of a properly completed invoice, whichever is later; in accordance with Chapter 43, VPPA, Article 4, Code of Virginia.
